

New Dacia Duster

We are Dacia.

We believe that affordable shouldn't have to mean compromise.

On quality, services or smiles.

So we've made an enemy of the unnecessary.

Our simple range of cleverly-designed cars uses only useful technology.

Which means you only pay for what you need.

Our prices are clear and transparent.

Because the Dacia way is your way.

Simple. Intelligent.

It's what made us the fastest growing car brand in Europe since 2004.

New Dacia Duster

Shockingly affordable

Who says a big car has to be expensive? Experience the New Dacia Duster with its spacious modular interior offering maximum comfort for all the family, its generous boot to carry all your leisure equipment and its high driving position giving good visibility and peace of mind. All this for a shockingly affordable price and an economical engine range below 140 g/km CO₂ emissions.

With Dacia, think big, pay little.

* Official Fuel consumption figures are produced for comparison purpose and are measured according to the European Directive 80/1268/EEC. These figures are specific for a vehicle type and not for a single car. Real world fuel (actual) consumption can vary as the fuel efficiency of a vehicle is influenced by driving behaviour, weather and road conditions. The use of technical equipment for example air conditioning, can also effect the fuel consumption.
