# Introducing Dacia Sandero

Like attractive design? Need a spacious interior? Want modern technology, but don't want to break the bank? Say hello to Dacia Sandero.

## **Big car features.**

Beneath its svelte form lies ample space for five adults. A split-folding rear seat and 320 litre boot make transporting luggage simple. Electronic Stability Control, anti-lock brakes and four front airbags ensure safety as standard. And, with Sandero Signature, air conditioning and cruise control mean maximum comfort on the move.

## **Big car technology.**

Want cutting-edge design that's also intuitive to use? No problem. The state of the art TCe 90 3-cylinder petrol engine, which combines impressive performance with frugal fuel consumption and CO<sub>2</sub> emissions of just 116 g/km, means savings for you and the environment.

## **Small car prices.**

At Dacia, we believe in giving you the choice to pay only for what you value. Our simple range offers two trim levels to suit your individual needs: from the affordable Alternative to the stylish Signature. And, with prices that are shockingly affordable, there really is a Dacia Sandero for everybody.
